

Landscape Superintendent & Maintenance Professional

*LSMP is focusing in an upcoming **Equipment Review** of*
BACKPACK & HAND-HELD POWER EQUIPMENT
*You are Invited to Participate in this **Free** Editorial Section.*

To include your product in this section,
please send an email to:

lshield@landscapeonline.com

with "December Equipment Review" in the
subject heading. Provide the following in-
formation inside the body of the email (not
attached as a word document).

Manufacturer:

Model No.:

Engine:

Weight:

Attachments:

Special Features:

Warranty:

Cost:

Include a high resolution .tif or .jpg photo (at
least 300 dpi or a minimum of 2 MB in size.)
Do not send web thumbnails.

As a new value-added benefit, your
website will be included in the lower right
corner of the product photo. That way our
online magazine readers can visit your
website by clicking on the link.

This new service makes it easier for
readers to find products and link to the
advertisers' websites. Readers can link to
those websites by reading this month's
issue at www.LandscapeOnline.com.

Forestry Services

Model No.: Solo® Model 440

Power Air Blower

Engine: 29cc two-cycle engine

Weight: 9 lbs.

Attachments: Can be converted
to a blower/vacuum by the ad-
dition of a shredder-vacuum kit.

Special Features: Modern light

weight materials keep the weight down. Noise, weight and emissions are low;
power and air volume are high. Fuel consumption is low, as is vibration. Starting
is easy with a simple primer, it's fitted with fingertip controls and comfortable
handles for easy directional control.

Warranty: 1 year

Cost: \$299.95

Information Request # 999

In an exclusive industry alliance, the Professional Grounds Management Society (PGMS)
has officially endorsed Landscape Superintendent and Maintenance Professional
(LSMP) magazine based on its Reach, Readership and Content.
