EROSION CONTROL ISSUE: **CALL FOR SUBMISSIONS!**

Put Your Work in LCN's "Erosion Control" Issue

Do you do retaining walls, hillside stabilization, hydro-seeding or other erosion-control work? LCN is accepting submissions now.

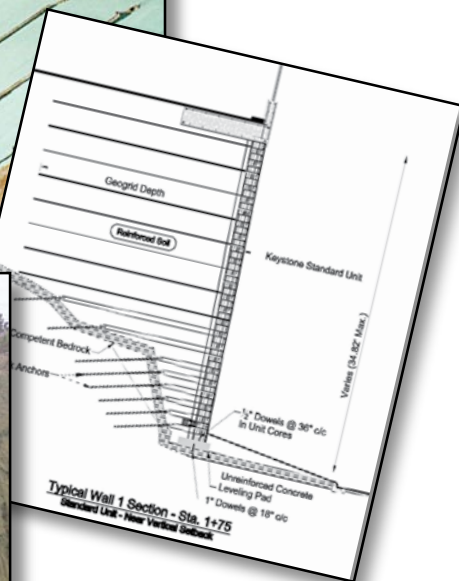

To submit a project, send us 3-12 high-resolution images. Make sure they're high-resolution tiff of jpeg files, the more mega-pixels the better!

Please include the following information too:

- Your phone number.
- Your company name.
- A write-up on the project—at least one paragraph, please!
